SELECTMEN'S REPORT 1974

Atkinson continues to grow at an alarming rate. If we continue at the same rate as the last few years we should double our population again in the next eight to ten years. Therefore, we must all direct our efforts toward a planned and orderly future growth rate, one which will minimize the financial impact on all of our residents.

As our Town approaches 3,000 people, the problems and workload faced by your Selectmen are also increasing. Revised routines and procedures are required to meet these challenges, and we are moving in this direction.

The outstanding challenge of 1974 has been a permanent site for a new Waste Management Facility. While we have not solved this problem to date, we have every confidence that we will do so in the near future, and with minimal inconvenience to the fewest number of residents.

The Selectmen would like to thank all Departments, Boards and Committees for their cooperation and efforts in behalf of the Town this past year. A very special thanks to the Library Trustees, the Library Building Committee and Friends of the Library for a "job well done" on the completion of Atkinson's new Library.

Helen V. Woodlock
Philip V. Consentino
John W. Holbrook

TOWN WARRANT BUDGET

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Atkinson, in the County of Rockingham, in said State qualified to vote in Town Affairs:

You are hereby notified to meet at the Dyke Auditorium on Tuesday the fourth day of March next at ten o'clock in the forenoon, and close not earlier than seven o'clock in the evening to act upon the following subjects:

1. To choose all necessary town officers for the coming year.
2. To see if the Town will vote to adopt the amendments to the zoning ordinances as follows: (By Ballot)

1. Are you in favor of amending Article V, Section B as follows:
"Under no circumstances shall horses or large animals be permitted on lots less than one acre, and on lots of one to three acres horses or other large animals will be permitted only under the following criteria:
 - a. Application for permit from Selectmen
 - b. Permit fee of \$5.00
 - c. Inspection by selectmen and/or Health Officer
 - d. Pasture not over leaching field
 - e. New permit acquired annually

In residential areas stables or shelters for riding (pleasure) horses shall be located a minimum distance of 5' from any lot line. Coral fences shall be a minimum of 5' from any lot line.

Recommended by Planning Board

2. Are you in favor of amending Article V, Section H as follows:
"Home industry should not give the appearance of a commercial enterprise and all home industry shall be subject to approval by the Planning Board."

Recommended by Planning Board

3. Are you in favor of amending the section pertaining to Percolation Tests as follows: "Percolation tests shall be made only in the following months; March, April and October, or any other time of the year if done by a certified soil scientist recognized by the State of New Hampshire."

Recommended by Planning Board

4. Are you in favor of amending the section pertaining to Road Inspections as follows:

Fee Schedule for Road Inspections

\$10.00 for each inspection for roads under 1500' in length.

\$20.00 for each inspection for roads over 1500' in length.
Inspections are to be made by a town-designated agent.

Recommended by Planning Board

5. Are you in favor of amending Section IV of the Building Regulations as follows:

Fee Schedule for Building Inspections

<u>Residential</u>	<u>Fee</u>	<u>Inspections</u>
Above-ground pools	\$ 10.00	1
In-ground pools	15.00	2
Additions or Alterations		
Value to \$10,000	15.00	2
Value to \$20,000	20.00	3
Septic Systems	10.00	1
New Construction, Buildings		
Value to \$25,000	31.25	4
Value over \$25,000	1.25 per thousand	4
<u>Commercial</u>		
Value to \$50,000	70.00	
Value to \$100,000	120.00	

The Building Inspector and Health Officer shall be paid by the town \$3.00 for issuing or reissuing all permits. The Building Inspector or Health Officer shall be paid $\frac{1}{2}$ of 60% of permit fee for each inspection, but not less than \$5.00 per inspection. There shall be an identical fee to reissue any permit or to reinspect after an inspection has been disapproved. Such additional fee is to be paid by the person requesting the Permit or Inspection. The Building Inspector and/or Health Officer may obtain expert assistance for any inspection on a commercial building and fees for this shall be assumed by the town.

Recommended by the Planning Board

6. Are you in favor of amending Article IX, Section F of Building Regulations as follows: "After the issuance of a building permit, construction shall start within ninety (90) days from date of issue; if construction is not started, permit shall be void and fee, less issuing fee, shall be refunded upon application, only if application for refund is made within 12 months. The placement of footings shall constitute start of construction.

Recommended by the Planning Board

7. Are you in favor of amending Article V, part C as follows: "Not more than one single residence may be constructed on each two acres. A two family or duplex house shall require four acres, except that these acreages shall not apply to lots of record (of one and two acres respectively) which comply with existing regulations."

Not Recommended by the Planning Board

8. Are you in favor of amending Article V, Part L as follows:
"Minimum Land Area. No lot shall be less than two acres,
except that this shall not apply to one acre lot of record
which complies with existing regulations."

Not Recommended by Planning Board

9. Are you in favor of amending Article V, part K as follows:
"Frontage. Each lot shall have a continuous frontage of at
least two hundred (200) feet, and a two family or duplex
house shall have a continuous frontage of at least three
hundred feet (300') except that these frontages shall not
apply to lots of record which comply with existing regulations"

Not Recommended by Planning Board

3. To see if the Town will vote to increase the salary of the Tax
Collector from \$200 to \$400 annually.

Recommended by Budget Committee

4. To see if the Town will vote to increase the salaries of the Board
of Selectmen as follows: Chairman-from \$700 to \$1000 annually; Members-
from \$600 to \$900 annually.

Recommended by Budget Committee

5. To see if the Town will vote to increase the salary of the Chairman
of Checklist Supervisors from \$50 to \$75 annually.

Recommended by Budget Committee

6. To see if the Town will raise and appropriate the sum of \$3850.00
to provide larger office space for the Board of Selectmen.

Recommended by Budget Committee

7. To see if the Town will raise and appropriate the sum of \$2000.00
to improve Stickney Shore Road.

Recommended by Budget Committee

8. To see if the Town will raise and appropriate the sum of \$15,000
to establish a Capital Reserve Fund for the purpose of updating equipment
for the Fire Department. This is the first of 10 articles to be submitted
over a period of ten years.

Recommended by Budget Committee

9. To see if the Town will raise and appropriate the sum of \$4000.00
to refit Engine 1 with an automatic reel for hose.

Recommended by Budget Committee

10. To see if the Town will raise and appropriate the sum of \$1000.00
for the purpose of establishing a waterhole on East Road (Plaistow Line).

Recommended by Budget Committee

11. To see if the Town will raise and appropriate the sum of \$2000.00
for the trimming of trees and a replanting program.

Recommended by Budget Committee

12. To see if the Town will vote to raise and appropriate the sum of \$7000.00 for the Atkinson Historical Society to use for the publication of a Town History book with proceeds from said book to reimburse the Town of Atkinson. -Atkinson Historical Society.

Without Recommendation

13. To see whether the Town will vote to join the Southern Rockingham Planning District Commission and make an appropriation of \$1718.25 thereto. The objective of this Commission is to plan for and encourage regional planning analysis, provide consensus on major problems of regional concern, assist in the effectuation of projects extending beyond the boundaries of a particular town and to provide the town with local planning services. The Commission has no jurisdiction over any matter of local affairs. Its role is advisory. Two town residents shall be appointed to the Commission by the Selectmen.

Recommended by Budget Committee

14. 14. To see if the Town will vote to establish a Bicentennial Committee to plan for the 200th anniversary of our nation and to raise \$2000.00 for that purpose.

Without Recommendation

15. To see if the Town will raise and appropriate the sum of \$40,000 to enact a Solid Waste Mangement Program, best suiting the needs of the town.

Without Recommendation

16. To see if the Town will vote to approve an expenditure of \$9,600.00 from Revenue Sharing Funds under the U.S. Federal Act of 1972 to defray the costs of a Solid Waste Management Program.

Recommended by Budget Committee

17. To see if the Town will vote to rescind Article 4 in the 1973 Town Warrant which read as amended: "To see if the Town will vote to authorize the Selectmen to issue a bond or note in the amount of \$10,000 for construction of an addition to Kimball Library, to be defrayed by Federal Revenue Sharing Funds under the U.S. Federal Act of 1972".

Recommended by Budget Committee

18. To see if the Town will vote to authorize an expenditure of \$10,000 from Revenue Sharing Funds under the U.S. Federal Act of 1972 for construction of an addition to Kimball Library.

Recommended by Budget Committee

19. To see if the Town will vote to accept the following trust funds for perpetual care of cemetery lots: Harry B. Tuttle Trust Fund-\$150.00, Harry B. Tuttle, donor; Benjamin H. Steele Fund-\$150.00, Harry B. Tuttle, donor; Lucien Remy Fund-\$200.00, Marion Remy, donor; Robert A. Klenner-\$200.00, Marjorie Klenner, donor.

20. To see if the Town will adopt the absentee ballot provisions of RSA 60:32 and permit any voter in the Town of Atkinson who is absent from

the town and is qualified to vote on the day of the annual elections of officers, or who by physical disability is unable to vote in person, may vote at such election in accordance with the procedures outlined in Chapter 60 of the New Hampshire Primary and Election Laws.

21. To see if the Town will vote to accept Crown Hill Road, Brookside Terrace and Knightland Road.

22. To see if the Town will vote to accept the following Dog Ordinances: "All dogs except those on a leash, or working, hunting or sho dogs under the full control of a handler, will be restrained to the owner's property at all times. A fine of \$20.00 will be imposed for each violation. Said fine will be distributed as follows: \$10.00 for the Dog Officer; \$10.00 to Town of Atkinson."

23. To see if the Town will vote from this date forward to indemnify and save harmless from loss or damage any person employed by it and any member or officer of its governing board, administrative staff or agencies including but not limited to Selectmen, from personal financial loss and expense including reasonable legal fees and costs, if any, arising out of any claim, demand, suit or judgement by reason of negligence or other act resulting in accidental injury to a person or accidental damage to or destruction of property if the indemnified person at the time of the accident resulting in the injury, damage or destruction was acting in the scope of his employment or office.

24. To see if the Town will vote to authorize the Selectmen to administer or otherwise dispose of any real estate by tax title or otherwise, either by bid or by public auction, providing that if such property is to be sold at public auction, then the same shall be advertised fifteen days in advance of sale with notice thereof posted in three public places.

25. To see if the Town will vote to retain all real estate obtained by tax title which is suitable for conservation and other town purposes.

By Petition

26. To see if the town will authorize the Selectmen to exercise the power of eminent domain, if necessary, to acquire land for the purposes set forth in Article #26 of the 1974 annual Town Meeting. (It is possible that such land will not be used for a landfill operation but will be used for a storage site from which the refuse will be removed to another facility)

27. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation for the same.

28. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen to hire such sums of money as the town will need in anticipation of taxes.

29. To hear the reports of the Town Officers and Committees, act on same and transact any other business that may legally come before the meeting.

Given under our hands and seal, this seventeenth day of February in the year of our Lord, Nineteen Hundred and Seventy-Five.

Trustees

REPORT OF THE FIRE DEPARTMENT

The year of 1974 was very productive and busy for the Department. As in the past, the number of calls requiring one or more trucks to answer increased over the previous year. The following is a breakdown of the calls handled:

House Fire (including structural damage):	5
Chimney Fires:	5
Miscellaneous Fire (electrical, etc.):	5
Grass and Brush Fires:	18
Car Fires:	8
Dump Fires:	3
False Alarms:	1
Resuscitator Calls:	2
Miscellaneous Calls (car accidents, etc.):	17
Power Failures (standby by fire station):	2
Mutual Aid:	9
Plaistow 4	
Hampstead 4	
Derry 1	
Mutual Aid Requested by Atkinson:	2
Plaistow 1	
Salem 1	
Total Number of Calls Handled by Red Network	662

Through the continued support of the townspeople we were able to add to our fleet a 5,500 gallon tanker. This tanker, so nicked-named "The Jolly Green

Giant," is totally self-sufficient inasmuch as it needs no other support vehicle to extinguish a fire. This now makes five vehicles in our fleet of six that are self-sufficient.

The Department was also fortunate by adding to its roster a few new volunteers. We are always looking for new men to join the Department, particularly those who are in town during the day-time hours.

After many years of plans and work our training area is starting to look as such with the completion of the training-tower. This tower has and will continue to benefit the townspeople through the training of our firefighters.

Also completed this year was an addition to the fire station to house our new tanker.

It should be noted that both the tower and addition were built by the firemen without cost for materials or labor to the town.

As I do every year, I wish to thank the men and women of the Department and the townspeople for their continued support of their Volunteer Fire Department.

In closing I would like to take the time to pay respect to a true friend of all the members of A.V.F.D., Richard Bailey. His friendly way and smile will be missed by all.

Donald L. Murphy

FIRE CHIEF

REPORT OF THE POLICE DEPARTMENT

1974 was a difficult year for the Police Department. The concern for the school children, because of the teacher strike, was felt by all.

The complaints of Malicious Damage caused by our youngsters doubled our complaints of last year. We ask you once again as parents and residents, to please let us know when these problems concern you. When you see a group of boys or girls walking or riding too late in the evening, call us and let us check them out. It is sadly too often the case, where the parent is not aware his child is involved until they hear it from the Police.

When you read our breakdown and compare it with last year, you'll see our Outside Thefts have doubled. Most of these occurred the same nights we received Malicious Damage complaints. Most articles taken were low in value, of no use to anyone except to the owners and in most cases, taken by youngsters.

The following facts and figures are submitted to acquaint you with the operation of the Police Department in the year 1974. Our telephone system handled a total of 4,031 calls, or 132 more than last year. The clerk made 1,421 calls pertaining to Police Business. Many more police business calls and out-going toll charge calls are being made with our Power Channel Radio Base by us through Rockingham and the State Police Dispatch Center. This saves us time and money.

Records kept by our clerk enable us to help our patrols, when stopping a suspicious vehicle to get a quick check as to whether they should hold or allow the vehicle to go on its way. Total number of miles traveled - 34,436; total number of officer's hours - 3,424. Officers hours include Chief and Deputy Administration, Investigations and Special, Emergency and Planned Patrols, Complaints, Traffic Violations and Court Hours. 67 summonses of Court Appearances, 26 Warnings and 17 Defective Equipment tags were issued.

Most important of these calls are as follows:

Police Business	2,185
Complaints - one third needing officer follow-up	385

Complaints - requiring one or more officers immediately	545
Residents away - checked by patrols	280
Fire Calls - requiring one or more vehicles and officer	64
Accidents: 16 with cars totalled - 6 needing ambulance	
1 Hit & Run - caught - court action	
2 Cars & Pedestrians	
2 Motorcycles, 1 with pedestrian	
1 Car & Bicycle	
1 Child on bicycle - hit by dog - ambulance needed	
24 Minor	
39 Needing one or more officers	Total 47
House Breaks: Breaking & Entering with Articles Taken	
Daytime 10 Nighttime 6	Total 16
Breaking & Entering with Nothing Taken	
Daytime 3 Nighttime 3	Total 6
Articles Taken from Private Property	
Outside Daytime 4 Outside Nighttime 20	Total 24
Attempts Daytime - Nothing Taken	4
Attempts Nighttime-Nothing Taken	1
Bicycles Stolen - Outside	4
Camps closed for season: Breaking & Entering	
Nighttime with articles taken	3
Nighttime with nothing taken	4
	Total 62
Police Investigation Results:	
Solved - not proven (youngsters)	17
Articles recovered & retained	5
Scared away by patrol	3
Solved - Court action taken	1
Solved - Court action will be taken	2
	Total 28

It is becoming more important every year to ask all residents to be more aware of what is going on around you. Let us know when you see or hear anything that disturbs you. A car you see too frequently in a short period of time, a vehicle parked at or near your neighbors house, when you know the house is unoccupied. Try and get the Registration, color, or make of vehicle. Any information you can give us is of value. The Police number is 5536. In an emergency speak slowly, clearly; state your name, where you live and your problem or complaint.

There was an Ordinance passed in 1973 that all Bicycles must be registered. There were 490 Bicycles registered by this Department and records are being kept of each License Plate issued. The Registration is good for two years from August 1, 1974 or from date of issue.

As your Chief, I would like you to believe that our main purpose is to protect and be of help to you whenever we can, whatever the time of day or night. Thankfully, I have more than competent people in the office, and Officers of the Department who are loyal and knowledgeable.

Respectfully submitted,

Robert M. Conley, Chief of Police

REPORT OF THE HIGHWAY DEPARTMENT

The major accomplishments of the Highway Department in 1974 were: approximately 7 1/2 miles of town roads were resurfaced; 1950 feet of Summit Drive and 400 feet of Westside Drive were widened and rebuilt under Town Road Aid funding; and the regular maintenance of town roads. All this was done in the year of gas shortages, oil prices doubling and rising costs of almost everything.

With a little Yankee ingenuity and a lot of Yankee thrift we will hold the line on inflation.

Respectfully submitted,

Daniel W. Stewart, Road Agent

REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

All open burning when the ground is not covered with snow is controlled by the Town Forest Fire Warden in cooperation with the New Hampshire Forest Fire Service. Anyone wishing to kindle a fire out-of-doors when the ground is not covered with snow must have a written permit signed by the Town Forest Fire Warden. If the fire is to be kindled on land not owned by the person kindling the fire, then he must have the permission of the landowner. No outdoor fires can be kindled between 9 A.M. and 5 P.M. unless it is raining, without the additional approval of the District Forest Fire Chief.

The 1974 forest fire season was one of the worst in the past two decades. Woodlands in central and southern New Hampshire became so dry in mid August that the Governor and Council, upon the recommendation of the State Forester, enacted a partial woodlands closure in Sullivan, Cheshire, Hillsborough, Merrimack and Belknap Counties and a complete woodlands closure in Strafford and Rockingham Counties plus the Towns of Barnstead, Gilmanton and Alton in Belknap County. Through the excellent cooperation of the citizens of our State no major forest fire occurred at any time during the year.

1974 FOREST FIRE STATISTICS

	<u>No. of Fires</u>	<u>No. of Acres</u>
State	871	915
District	242	147

Standing: Selectman John W. Holbrook, Joseph Mackie, Meredith Reynolds and
Lloyd Blackadar.

REPORT OF THE PLANNING BOARD

The Planning Board meets regularly on the fourth Thursday of the month. This year in order to study different types of zoning and to investigate same, we have been meeting on the second Thursday of the month for a "work" meeting.

At the present time we're planning to continue having two meetings a month throughout the year due to the heavy work load that seems to stay ahead of us. We're still hoping to come up with a good land use plan for the town. However, we realize our limited capabilities as non-professional planners and seek the help of the townspeople to either vote us into the Regional Planning Commission where we will have the assistance of a professional planner plus the use of a soil scientist, traffic manager and all the expert help available to the Regional Planning Commission. Also, our commissioners would be constantly in touch with those from surrounding towns to talk over common problems and possibly get a solution from some town's past experience.

Another alternative would be to hire a professional planner of our own.

This will probably be quite expensive and may require some follow-up work year after year. We will have more information for you on this at town meeting.

We have been quite successful in the land acquired from subdivision assessments. We've picked up a very good water hole site on the East Road, two and one half acres of the old George Mason land (now Krohn) for Conservation and also several more preliminary plans in the works that haven't been given a final approval yet.

Again, let me remind anyone planning to subdivide their land, please allow plenty of time for final approval. These plans cannot be hurried anymore because there are too many things that have to be done before a plan can be finalized.

This year again with the recommendation of the Town Road Agent and Town Engineer we have put in an amendment to upgrade our roads. With 18 inches of gravel on a good base, plus 3 inches of hot top on the surface and a hot top swale to take care of runoff water on sloping roads, we think these roads should last a long time without having to be patched and repaired repeatedly.

We appreciate having Mr. James Grimes, Town Engineer and Mr. Jesse Boyden, Building Inspector attend our meetings. Their help has been invaluable to us. We are also grateful for the cooperation we have received from all the various boards of the town. It makes everyone's job a lot easier.

Respectfully submitted,

Maurice Collins
PLANNING BOARD

REPORT OF THE BUILDING INSPECTOR

There were 95 permits issued in 1974. The breakdown is as follows:

<u>Permits Issued</u>	<u>Builders Est. Cost</u>
47 New Homes	\$1,239,900.00
28 Additions/Alterations	91,910.00
7 Garages	12,400.00
3 Barns	7,000.00
10 Pools	25,270.00
95 Total Permits	Total Value \$1,376,480.00

<u>Year</u>	<u>No. of Permits</u>	<u>Estimated Cost</u>
1973	124	\$1,826,570.00
1972	110	1,899,555.00
1971	67	1,165,325.00
1970	49	759,550.00
1969	49	485,600.00

Respectfully submitted,

Jesse R. Boyden
Building Inspector

Library Trustees Eleanor Feuer, Gladys Dyke and Librarian Beatrice Reynolds.

REPORT OF THE KIMBALL PUBLIC LIBRARY

Once again it is time for the Trustees to give their annual report of the Kimball Public Library.

Since the Town Meeting of last year the Trustees have been very busy working with Mr. Steven Lewis, the Selectmen and the Building Committee members on the plans for the library addition which were drawn up by Mr. Lewis. Construction is near completion and we are hopeful to have the new library open and functioning in the near future. The lovely bow window has been donated by the Harvin L. Betournay family of Atkinson. The Atkinson Garden Club has undertaken the landscaping of the building as their Civic Beautification Project.

The monies received last year from Revenue Sharing Funds hopefully will cover construction costs only. Funds are still needed for library stacks and furnishings such as tables and chairs, etc. We are most grateful to those of you who have responded to our pleas for donations. However, the response from the town as a whole has been very disappointing. Hopefully, now that the addition is near completion those of you who have not yet sent in your contribution will do so now. All contributions regardless of the amount will be greatly appreciated. Once the new library is in operation we hope that those of you who have not patronized the present library will make an effort to drop in and see what there is available for everyone. Mrs. Reynolds, our librarian, is most cordial and helpful. Also, with the opening of the new facility we hope to offer more of the services that are expected today of a good library. When the meeting room in the lower level is completed, meetings of local organizations will be encouraged. The past year we have purchased 743 new books, covering a vast variety of subjects. We have increased our magazine subscriptions to thirty-five. Also, we have purchased several new encyclopedias to update the present ones in the library. There has been a substantial increase in book circulation over last year.

A special vote of thanks must be given to the Friends of the Library who have done an exceptional job of fund raising and promoting the library cause to the townspeople. New members are always welcome to join the group. Thanks also to all of you who have donated either your time or labor to help the library building project.

It is our sincere wish that you will all avail yourselves of our new library in 1975.

Respectfully submitted,

TRUSTEES OF THE KIMBALL PUBLIC LIBRARY

Gladys R. Dyke, Chairman
Eleanor C. Feuer, Secretary
Dorothy A. Gordon, Treasurer

REPORT OF THE RECREATION COMMISSION

The Recreation Commission is looking forward to its activities for 1975. Two new programs, in association with the Greater Haverhill YWCA, are scheduled to begin this year. Both programs are geared for younger children, pre-schoolers through first graders, an age group we feel we have neglected in the past. The Tot Shop for pre-schoolers began in January, and a swim instruction program for children three through seven, using neighborhood pools and qualified YWCA instructors, will be held during the summer. We are also eagerly expecting to view more potential recreation sites. The zoning ordinance passed a year ago requiring developers to set aside land for town use has involved us somewhat during the past year. The Recreation Commission feels that as developers better understand the kind of land needed for neighborhood recreation use we will be able to make specific proposals.

The past year saw continued enjoyment of our organized programs by many youngsters: baseball, 140; girls' softball, 40; boys' basketball, 43; and

football, 58. Special mention should be made of the Timberlane district Babe Ruth team, managed by Jim Stone, which won the intertown "A" League championship last summer. In addition, several new activities proved to be very successful in 1974. The beginners' tennis lessons for youngsters ten through fourteen ran for six weeks and had 47 participants. The boys' and girls' track teams, organized during the summer for over 40 children and teen-agers, both won second place in a six-town meet at Kingston. The Recreation Commission revived Atkinson Days for the elementary school children by holding a field day in October for over 150 boys and girls. The road race, which was originally planned to climax Atkinson Days but had to be postponed because of eligibility requirement, was run quite successfully on a cold Saturday in November. We hope to make this an annual event, perhaps holding it during a more comfortable month. The year ended with two new programs: a Christmas crafts workshop for elementary school children and a girls' basketball program in conjunction with the Plaistow Recreation Commission.

All our recreation programs depend for their success on the adults who give so freely of their time and talents to coach and to instruct the youngsters. One man who did much more than his share to give Atkinson children numerous sports activities was Joe Costello, and the Recreation Commission joins many other Atkinson residents in saying he is truly missed. To all those people who gave their time and energy to make all these programs possible for the children of Atkinson, we wish to say publicly, "Thank you".

Respectfully submitted,

Elizabeth Tentarelli
RECREATION COMMISSION

Seated: Winthrop Comley and Chairman Carol Grant;
Standing: John Widman, Steven Lewis and Chester Ladd.

REPORT OF THE CONSERVATION COMMISSION

The Atkinson Conservation Commission activated this past summer as a separate entity with the first meetings devoted to organization and orientation. We've made contact with state conservation officials and have learned what state resources are available to us. Our 1975 program includes the following:

1. Conservation Commission plans include a town forest. Hopefully, most of the Atkinson Conservation Area will be acquired through the 7½% law and from civic and conservation-minded people willing to donate land. As more and more of Atkinson is being developed, it is becoming more and more important that Conservation areas be set aside so that Atkinson residents, now and in the future, will have woods, nature trails, and natural wildlife areas for enjoying that inner peace that only a walk in the woods can bring. We have that responsibility to ourselves, our children, and to future Atkinson residents. The state urges that town conservation lands include a wetlands area. These are rapidly disappearing throughout the region because of draining and filling for development

purposes. Hopefully, with a properly maintained wetlands area, water wildlife such as the beaver, duck and water fowl will again thrive in this area.

2. Included in the conservation program will be an area devoted specially to the preservation of wild flowers. This wildflower area, similiar to those in other N.H. towns, will provide a place for all Atkinson residents to enjoy the beauty of the wildflowers which are rapidly disappearing in our area because of our rapid town development.

3. This summer, free conservation movies will be shown here in town. Library displays will also help make our people more conservation-minded.

We, the Commission members, are very interested in hearing from all of you concerning possible locations of conservation areas and other worthwhile conservation projects which will benefit Atkinson. A Conservation suggestion box has been put in the Town Hall for your convenience. Please, don't hesitate to use it! Atkinson has many beautiful natural areas. We need your help in saving and preserving them for now and future enjoyment. We ask and welcome your ideas and assistance.

Respectfully submitted,

Mrs. Carol Grant
CONSERVATION COMMISSION

Seated: Diane Kinney, Chairman Russell Couture and Helen V. Woodlock, Selectman
Standing: Richard Paolino and James Wells.

REPORT OF THE BUDGET COMMITTEE

The Budget Committee wants to thank the Selectmen, department heads and town officers for their cooperation and assistance in the past year. We need this to do an effective job.

Our committee relies on the detailed breakdown of expenditures and budgets in conjunction with the services rendered by the departments, to make knowledgeable recommendations to the Town. Comparisons are made to past expenditures allowing us to follow and guide the long-term trends of each department. Considerations are also given to the total Town budget as well as to the school budget so that the overall effect on the Town's tax rate is known.

The budget committee also needs the assistance of the Town's people. All of our meetings are open to the public and we invite your participation. One area that we need your assistance is in setting the long-term goals for our Town. For your reference, the table below lists for the larger departments the percent increase in the 1974 expenditures over the 1969 expenditures (5 years earlier). This shows the relative growths of these departments.

There are several budget related areas that still need improving in our Town. One of these is the need for more long-range planning. A noteworthy exception to this is the Fire Department and we want to thank them for presenting this year a long-range program for their department. More effort is still required by the Budget Committee, Selectment, and department heads to more accurately detail the expenditures of some of the departments. Also our committee and the Selectmen need to draw up a set of guidelines for the departments to aid them in the preparation of their budgets and in their expenditure of it.

PERCENT INCREASE IN POPULATION AND EXPENDITURES FROM 1969 to 1974

Population:	29%
Town Officers' Salaries:	30%
Town Officers' Expenses:	118%
Town Building Maintenance:	210%

TOWN OF ATKINSON, NEW HAMPSHIRE

1. Our population is approximately 2943; total area is 11.2 square miles.
2. We are a Town Government, headed by three Selectmen who meet each Monday evening at 7 p.m. in Town Hall.
3. We have a Volunteer Fire Department consisting of regular and day call members. We have a call Police Department and both departments are available 24 hours at all times.
4. Shopping centers are less than 1/2 mile away. There is no public transportation in Atkinson ~~except~~ for the elderly.
5. We are part of the Timberlane Regional District which is comprised of the towns of Plaistow, Atkinson, Danville and Sandown. The Rockwell School and Atkinson Academy house the elementary students; the Junior High School students will soon enter the new middle school while the Senior High School students attend the high school - both of these schools are located in Plaistow.
6. Our tax rate this year is \$3.20 per hundred. The town was revalued in 1972-73 by the New Hampshire Board of Revenue Administration. We are presently valued at 100 percent.
7. There is no town water or sewerage but some developers have their own water systems. Our town is presently zoned residential and requires one acre lots. We are not zoned for apartments or trailers.
8. The Congregational Church is located in the center of town and the Holy Angels Catholic Church is located on Route 121 just over the Plaistow line. Other denominational churches may be found not over a mile away in other communities.
9. Atkinson has the following organizations which meet regularly; Garden Club, Grange 143, Friends of the Kimball Library, Men's Club, Day Home Extension Group and the Evening Home Extension Group. There is also the XYZ Club for the elderly and all phases of Scouting. Also Minor League and Little League baseball teams, girl's softball, basketball teams and Junior Football League teams.
10. Town boards meet as follows: Selectmen-Every Monday at 7 p.m.; Conservation Commission-second Tuesday; Recreation-second Wednesday; Budget Committee-third Wednesday; Planning Board-second and fourth Thursdays. All boards and committees meet in Town Hall.
